

- 🗙 25 Year System Warranty
- X Supports Gigabit Ethernet
- X Choice of Colours

### Features

- 25 Year System Warranty
- Choice of Colours
- Provides convenient workstation outlet for Gigabit Ethernet applications
- Built in labelling field
- Lifetime Product Warranty

# **Product Overview**

- Supports Gigabit Ethernet
- Category 5e compliant
- Available in a choice of port density
- Shuttered outlets as standard
- Supplied with cable ties and fixing kit
- No.3 cabling system by market share, as reported by BSRIA

The new Excel Plus surface mount boxes can be used in a wide variety of applications and provide a quick and easy method of installing up to 6 outlets to work areas. These shuttered units can be installed in desk clusters, beneath retail counters, under floors or wall mounted. They are also ideal for temporary or emergency installations.

6 Port version

#### **Performance Overview**

The Excel Plus surface mount boxes are manufactured and tested to the current Category 5 enhanced standards as defined by the TIA and ISO standards' bodies. Swept frequency tests are applied to each critical performance characteristic, such as near end cross talk (NEXT) and far end cross talk (FEXT). Both Worst Case and Power Sum Test methods are applied. Actual performance exceeds the required standard by a considerable margin ensuring sufficient headroom for even the most demanding applications.

## Performance / Specification Table

Specification:Category 5eWiring Specification:T568A & T568BDimensions: 1 Port48mm wide x 26.2mm high x 65.2mm deep2 Port:76mm wide x 26.1mm high x 65mm deep4 Port:132.1mm wide x 29.8mm high x 65.6mm deep6 Port:188.4mm wide x 29.7mm high x 65.6mm deepInstallation Recommendation:Suits any open office or compact office environmentRJ45 Jack:Min. life 750 insertionsRJ45 Jack:50 Microinch Gold Plated contact pinsIDC Contacts:Suitable for 110 compatible tooling. 	Operating Temperature Range:	-10°C to 60°C
Storage Temperature Range: -40°C to 68°C	Storage Temperature Range:	-40°C to 68°C

### **Typical Applications**

■ 10Base-T Ethernet ■ 100BASE-TX Fast Ethernet ■ 1000BASE-T Gigabit Ethernet ■ 155 Mbps ATM ■ 622 Mbps ATM ■ Token Ring

Part Number Information	
Part No.	Description
100-002	Excel Plus Category 5e Surface Mount Box, 1 port, white
100-003	Excel Plus Category 5e Surface Mount Box, 2 port, white
100-004	Excel Plus Category 5e Surface Mount Box, 4 port, white
100-005	Excel Plus Category 5e Surface Mount Box, 6 port, white

### System Warranty

The Excel System Warranty provides a 25-year product and applications assurance of compliance with the industry performance standard appropriate to the class of cabling installed. The warranty may be applied for by an accredited Excel Partner who has designed, supplied and installed the said system.

Excel is a world-class premium performing end-to-end infrastructure solution - designed, manufactured, supported and delivered - without compromise.
